

Dave Sigler

As the owner/broker of Vintage Real Estate Services, we service over 1,000 properties under our management covering 5 counties. I am also the owner/qualifying contractor of South Shore Contracting. A full service, licensed and insured construction company that services Vintage's properties as well as performing other commercial and residential work. A member of NARPM since 2012, I just completed my RMP requirements and have begun the MPM process. I have been the Florida state education chair for the past 3 years and look forward to giving more in the years ahead. I graduated from the University of Central Florida in 1995 with a BA in business administration and have been active in continuing education in both of my professional fields ever since. I am also on the board of the GTAR property management task force and we are working towards formalizing the group into an active committee for the organization.
